Olivia's Fairy Garden

I received a message from past member Faye Powell this week with an update of what she has been up to.

Over the weekend 2/3 August I joined in with my work colleagues from GHD and Rotary to do a backyard blitz – and create a beautiful fairy garden for Olivia. Olivia has had a lot of publicity recently as she has some awful incurable cancer and her wish was to have a fairy garden to play in at home.

The GHD team did the design and provided labour while Hall Rotary and a local Lions club did their bit by providing a good old BBQ sausage sizzle for all us young and old desk jockeys not used to working so hard. Rotary got a positive response from many who knew nothing about it so hopefully there may be a few people interested enough to get more involved in the future.

Regards Faye Powell
