Meetings: Thursday 12.30pm

**Canberra Services Club Corner Canberra Avenue and
Manuka Circle Manuka**

This Thursday 17 August 2006 we meet again at Canberra Services Club, Manuka.

Our guest speaker last Thursday was Katrina Wybrow, of Wybrow & Associates, Financial & Investment advisors.

Her talk focused on Self Managed Super Funds, and she highlighted the benefits of paying insurance premiums out of this type of Fund. She also showed how 'gearing' was possible within these Funds, either via the purchase of listed 'geared share funds', or the purchase by the Fund of Share Installment Warrants.

Overall, it was a well received presentation, with lots of questions at the end. Thanks Katrina.

Our guest speaker is *Peter Petkoviz*, who will be followed by Dorothea, giving a new members talk.
